PROFILE

Final year hardworking Cybersecurity undergraduate. My background in network defense, threat detection and risk assessment is strong. At present, I employ such tools as Kali Linux, Wireshark, and ELK Stack to perform real-time monitoring. I have a strong interest in making secure systems and addressing multifaceted security issues.

EDUCATION

SLTC Research University	2022 – Present

- **BSc (Hons) in Cyber Security**

Mahinda Rajapaksha College - Homagama	2012 –2019

- **A/L Maths Stream (2020)   B C S**
- **G.C.E. O/L (2016)   6A 2B 1C**

Prince Of Wales College - Moratuwa	2011
Dharmashoka College - Maharagama	2006 –2010

WORK EXPERIENCE
